Once space is purchased in the programme your advert content can be rotated or changed whenever you wish.

## **GROUND ADVERTISING BOARDS**

***As a proven and , powerful medium for promotion of any company or brand, stadium advertising offers superb exposure to a captive audience***

**Within the ground advertising boards are positioned around the pitch perimeter and on the stand roof and Social Club exterior wall.**

**Outside the ground we have numerous locations for advertising boards including roadside boards and the walls of the Stafford Rangers Social Club.**

**These boards give full 24/7 exposure both to passing motorists and pedestrians and to customers visiting the Social Club.**

***Prices: Start at £200 and are exempt from vat. Production costs are not included.***

**Larger advertising boards can be accommodated on the stand roof and on the rear Social Club wall facing the pitch. Costs would vary and are subject to negotiation.**

## [MATCH DAY SPONSORSHIP](#)

During the close season extensive work was carried out in the Social Club and a new lounge was created. The new and impressive Chairman's Suite was opened in August 2015.

Our match day sponsors are hosted in this lounge, which provides views of the pitch through three newly installed windows.

Our match day sponsorship is for 10 people and the package deal includes entry to game with reserved seats in the main stand, match day programmes, (which will feature your company or party on the day), team sheets, a buffet at half time and a drinks package of your choice. In addition a 'welcome' banner is produced for each sponsor and is displayed in the Chairman's Suite on the day. The match sponsor also selects the Stafford Rangers 'man of the match' and presents the award to their chosen player after the match.
